## Surbiton High Careers and HE Bulletin

**Edition 29. Date: 11 September 2024**

Aimed at Years 11 to 13, the Careers and Higher Education Bulletin is below.

**Please note:** we cannot vouch for the quality of the courses/events charging fees. You can often find free alternatives with research but if an event/course charging fees is of interest, speak to your parents and perhaps they can help you decide whether it is worth any additional costs. **Remember you cannot miss classes for these events.**

Pearson | VUE

**Are you making a university application that requires a written test (e.g. some Imperial, LSE, Oxbridge, medical, law courses)? You may have to do an admissions test (TSA, UCAT, ESAT, HAT, LNAT etc.). REMEMBER:** You must register and take the tests at a Pearson VUE test centre. Please see my letter [here](#) for further details.

**The Oxbridge Formula (NB. This is relevant to tests for other universities too like Imperial – not just Oxbridge.** This used to be a website but is now a YouTube channel. It has videos of worked solutions from admissions tests (e.g. MAT, TMUA, PAT). There is also lots of advice, tips and videos about Oxbridge entrance. See [here](#) for further information.

**USA College Day.** Meet representatives from over 150 American universities and educational service providers in London on 27 and 28 September at the ILEC Conference Centre, 47 Lillie Road, London. SW6 1UD. Cost: Free to attend if you register in advance. For more information, see [here](#). The [Fulbright site](#) also has lots of useful information for those interested in studying in the US.

**Are you looking to study abroad?** There are now over 1,200 undergraduate degrees taught entirely in English in Europe (not including Ireland and United Kingdom). These degrees offer you a wide range of alternatives to the education available in the UK. A Star Future has a great website where you can search for opportunities and they will help you with all parts of the process. See [here](#) for more information.

HIGH SCHOOL

**Interested in Architecture, or History of Art?** The London Open House Festival is an event where you can see many buildings not normally open to the public. There are walks and tours and you can select buildings by historic period or architectural type. You can even search by area to visit several buildings in one trip. The event is happening 14 to 22 September. For more details, see [here](#).

**The 49th annual Boston University Trustee Scholarship Competition.** For more than four decades, the Boston University Trustee Scholars Programme has attracted students with outstanding academic ability from around the world.

Trustee Scholars rank at the top of their classes and demonstrate exceptional leadership in their schools and communities.

To be considered, students must submit their application for admission with one Trustee Scholarship essay by 1 December 2024. More information about the [Trustee Scholarship](#) can be found on their website.

If you have any additional questions, please contact 617-353-4492 or [intadmis@bu.edu](mailto:intadmis@bu.edu).
